- D Finances. The rules of the subdivision shall provide procedures for the management of the funds of the subdivision and District Committees and for financial reports to the district and subdivision committees. - E Terms. The rules of each subdivision shall provide that in any year after the enactment of these rules, each member of a District Committee and Subdivision Committee shall be selected in the first four months of the year after a presidential election for a term of four years.

2.2 District Committees

- A Basic Unit. Within each subdivision, the basic unit of organization of the Democratic Party shall be the State Representative District; provided, however, that the City of Wilmington may use as its basic unit its City Ward districts.

- B To assure the closest and most relevant association, those Representative District Committees whose boundaries are fully or partially within the City of Wilmington shall be organized as follows:
- 1 The 1st, 2nd and 3rd Representative Districts:
 - B.1.1 Committee members: City Ward Committee members shall automatically represent their election district on the appropriate District Committee unless they decline to do so at the time they are elected or otherwise confirmed as a City Ward Committee member.

CANDIDATE VACANCIES

8.1 State-wide Offices

If after the deadline for an individual to file notification of candidacy for any state-wide office, there is no Democratic candidate for state-wide office, the State Chair shall call a meeting of the State Committee within the time provided by law for such vacancy to be filled, at which the candidate shall be chosen by a majority vote of those present. For these purposes, members of the State Committee will be considered present if they participate in the meeting by means of conference telephone or similar communications equipment by means of which all participants in the meeting can hear each other.

8.2 Non-State-wide Elections

If after the deadline for an individual to file notification of candidacy for any office that is to be filled by partisan election, other than a state-wide office, there is no Democratic candidate for such office, or in the event of the need for a special election for any such office, the candidate for such office shall be named under the rules of the subdivision in which all the voters for said office live. If such subdivision rules provide no procedure for filling such vacancies, the Subdivision Chair shall call a meeting within the time provided by law for such vacancy to be filled, giving notice to all District Committee members who would be entitled to vote for such office at a general election, at which meeting the candidate shall be chosen by a majority vote of the District Committee members present and voting. If the voters for such office reside in more than one subdivision, the chair of the subdivision in which the majority of the voters for such office reside shall call a meeting within the time provided by law for such vacancy to be filled, giving notice to all District Committee members in each subdivision who would be entitled to vote for such office at a general election, and shall give notice of the meeting to the other Subdivision Chair, at which meeting the candidate shall be chosen by a majority vote of those District Committee members present and voting.

RULE 9

PARTY PROCEDURE

9.1 Robert's Rules of Order

When not otherwise stated, Robert's Rules of Order, as most recently revised, shall govern any proceedings of any convention or meeting of the Delaware Democratic Party.

9.2 Voting Standard

Unless another standard is provided by these rules or the subdivision rules, all matters shall be subject to a vote of a majority of the members present and voting. For clarity, abstentions shall not count as "no" votes. (For example, in a committee with ten (10) members, if eight (8) are present at a meeting (and so a quorum is present), and five (5) members vote, a measure would pass with a vote of three (3) in favor and two (2) opposed.

9.3 Amendment of State Rules

No Rule contained herein can be altered or amended except as provided by these Rules as follows:

- A By Convention. Before consideration by the Convention, amendments to these Rules shall be submitted in writing to the state Rules Committee, at least one week before the Convention. The Rules Committee shall make its recommendation to the State Convention concerning the advisability of any such amendment. A favorable vote of at least one-third of the members of the Rules Committee shall be required for the amendment to be put to a vote of the Convention. A three-fourths (3/4) affirmative vote of all the delegates present and voting shall be required to amend these rules.
- B By State Committee. Any amendment shall first be considered by State Committee provided it has been forwarded to the State Chair no later than ten (10) days prior to a scheduled meeting. A majority affirmative vote of all the State Committee members present and voting shall be required to report the amendment to the Subdivisions for consideration.

- 1 No later than forty-five (45) days after the amendment is reported, the Subdivision Chair shall hold a meeting of their respective Subdivision Executive Committee to consider the amendment. The Subdivision Executive Committee shall adopt the amendment by an affirmative vote of a majority of members present and voting. The Subdivision Chair shall, within five (5) days of the vote being taken, certify to the State Chair the Subdivision Executive Committee's adoption or rejection of the amendment.
- 2 Upon receipt of certification of adoption of the amendment by three (3) of the four (4) Subdivision Chairs the State Chair shall place the amendment on the agenda of the next State Committee meeting. At that meeting a three-fourths (3/4) affirmative vote of the State Committee members present and voting shall be required to amend these rules.
- 3 Any amendment to be considered under this rule shall be initiated by a voting member of the State Committee.

9.4 Distribution of Rules

Within thirty (30) days after adoption of these Rules or any amendment thereof, the State Chair shall cause a copy of same, as amended, to be distributed to each Subdivision Chair, and electronically posted.

9.5 Effective Date of Amendments

Unless stated otherwise in the motion proposing their adoption, amendments to these rules shall become effective immediately upon their adoption.

9.6 Amendment of Affirmative Action and Delegate Selection Plan

Rule 7.2 may be adopted and amended from time to time between State Conventions by majority vote of a quorum of the State Committee.

RULE 10

GRIEVANCES

- 10.1** If any member of the Delaware Democratic Party has a grievance or believes that he or she has not been treated fairly with respect to Party political business, or has a concern with the operations or organization of the Party, and there is no provision to resolve such grievance of concern otherwise under these rules or the rules of any subdivision affected by such grievance, that member may submit his or her grievance in writing to the State Chair within ten (10) days of the occurrence of the event. Within two (2) business days after the receipt of said notice, the State Chair shall convene a Committee known as the Grievance Committee.
- 10.2** The Grievance Committee shall consist of five (5) members: The Parliamentarian of the City of Wilmington Democratic Committee as well as the Parliamentarians of the following subdivisions: New Castle County, Kent County, and Sussex County. The State Chair shall also be a voting member of the Grievance Committee and shall be the Chair of the Committee. Upon receipt of such complaint, the Grievance Committee shall institute an immediate investigation of said complaint.
- 10.3** In the Chair's discretion, the Committee may dispense with a formal hearing and take some or all of evidence in writing. A written decision shall be tendered to the complaining person within thirty (30) days from the State Chair's receipt of notice, except that the State Chair may set an earlier deadline if reasonably possible and necessary to address the grievance.
